## LEVITTOWN SCHOOL DISTRICT

## STUDENT RESUME WORKSHEET

Your involvement outside of the classroom paints a better picture of you. Your student resume demonstrates to colleges:

- Your ability to effectively manage your time
- Your ability to dedicate yourself to a group or task
- Your ability to make a meaningful contribution to the community
- Your ability to work with others
- Your ability to carry out leadership roles

## You do not have to get involved in EVERYTHING. Find some activities that are meaningful to you and stick with them!

Work experience can be an important addition to a student resume. Part-time and/or summer employment are not only a great way to earn money, but can help you develop career interests and apply classroom learning to the real world.

Use the following worksheet to keep track of all the wonderful experiences you will have. You will continue keeping track all throughout high school.
